The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**AUTHORIZATION TO RENEW 32 DEPARTMENT OF MENTAL HEALTH
LEGAL ENTITY AGREEMENTS
AND
APPROVAL OF THE REVISED DEPARTMENT OF MENTAL HEALTH
LEGAL ENTITY AGREEMENT FORMAT
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Authorize the renewal of 32 Department of Mental Health (DMH) Legal Entity (LE) Agreements, as listed in Attachment I, with Maximum Contract Amounts (MCA) totaling \$87,958,500, for each Fiscal Year (FY) 2005-2006, 2006-2007, and 2007-2008. The renewals will enable DMH to provide continuous, uninterrupted services to severely and persistently mentally ill adults, seriously emotionally disturbed (SED) children, adolescents, and their families throughout the County of Los Angeles.

These LE Agreements will be funded by a total of \$7,310,677 in Local Mental Health Plan Non Medi-Cal revenue, \$79,255,655 in Medi-Cal and Healthy Families Programs funds, and \$1,392,168 in Medi-Cal Assembly Bill (AB) 2034 funds, for a total of \$87,958,500, that are included in DMH's FY 2005-2006 Proposed Budget Request.

The term of 27 LE Agreements will be effective July 1, 2005 through June 30, 2008, including two (2) automatic one-year renewal periods, and the term of five (5) LE Agreements with Institutions for Mental Disease (IMD) contractors will be for FYs 2005-2006 and 2006-2007 only.

"To Enrich Lives Through Effective And Caring Service"

2. Approve the revised DMH LE Agreement format, substantially similar to Attachment II, which has been updated to reflect new or revised mandated provisions required in all County contracts and a revised Financial Summary, and to require contractors to comply with all applicable Federal, State and County policies and procedures relating to performance standards and outcome measures.
3. Instruct the Director of Mental Health or his designee to prepare, sign, and execute these 32 LE Agreements between the County and contractors after DMH has prepared these agreements in accordance with Attachments I and II and has obtained contractors' signatures for each Agreement.
4. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute future amendments to these LE Agreements and establish as a new MCA the aggregate of each original Agreement and all amendments, provided that: 1) the County's total payments to a contractor under each Agreement for each fiscal year shall not exceed an increase of 20 percent from the applicable revised MCA; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer (CAO) or their designee is obtained prior to any such Amendment; 5) County and Contractor may write amendments to reduce programs or services and revise the applicable MCA, provided that any amendments which reduce programs or services will be consistent with the principles agreed to in DMH's stakeholders' process and will reflect DMH's FY 2005-2006 Final Budget approved by your Board; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Board approval is required because these 32 LE Agreements will expire on June 30, 2005, and such agreements are required to continue the provision of services. Thus, Board approval of the recommended actions will allow for continuous, uninterrupted services to severely and persistently mentally ill adults and SED children, adolescents, and their families.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the County's Programmatic Goals No. 5, "Children and Families' Well-Being," and No. 7, "Health and Mental Health," within the Countywide Strategic Plan. Renewing these agreements will allow for continuous and uninterrupted mental health services to existing mental health clients throughout Los Angeles County and for the collaborative partnership between government and community agencies.

FISCAL IMPACT/FINANCING

There is no increase in net County cost. The MCAs for each Agreement are shown in Attachment I. For FY 2005-2006, the MCAs totaling \$87,958,500 for these 32 LE Agreements will be funded by the following sources that are included in DMH's FY 2005-2006 Proposed Budget Request:

- | | |
|--|----------------------|
| 1) Local Mental Health Plan Non Medi-Cal Total: | \$ <u>7,310,677</u> |
| 2) Medi-Cal and Healthy Families Programs Total: | \$ <u>79,255,655</u> |
| 3) Medi-Cal AB 2034 Total: | \$ <u>1,392,168</u> |

For FYs 2006-2007 and 2007-2008, funding will be requested during DMH's annual budget process. The MCAs for FYs 2005-2006, 2006-2007, and 2007-2008 are shown in Attachment I, but may be subject to change because of anticipated budgetary factors which may impact the funding that is given to the County by the State and/or the Federal government on an annual basis.

The LE Agreements include provisions that permit the County to reduce the MCAs or terminate the agreements, whichever is applicable under the terms of the agreements, if, as a result of the adoption of the County and State budgets, funding for these agreements is reduced.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The LE Agreements provide for a broad range of continuous, uninterrupted services to severely and persistently mentally ill adults, SED children, adolescents, and their families, as outlined in the California Code of Regulations, Title IX, Chapter 11. These mental health services include, but are not limited to, acute inpatient care, outpatient

services, day rehabilitation, medication support, crisis intervention, and targeted case management.

CAO, County Counsel, and DMH's Fiscal and Program Administrations have reviewed the proposed actions. The revised LE Agreement has been approved as to form by County Counsel. The LE Agreement format, substantially similar to Attachment II, includes revised or new mandated provisions required in all County contracts, including the Preamble, Consideration For Hiring Greater Avenues For Independence (GAIN) or General Relief Opportunities For Work (GROW) Participation For Employment, Department of Health and Human Services Debarment Certification, and a revised Financial Summary. Additionally, the LE Agreement format adds new provisions for Performance Standards and Outcome Measures and Insurance Property coverage.

Attachment I lists the 32 LE Agreement renewals for FYs 2005-2006, 2006-2007, and 2007-2008, specifying the contractors, current LE Agreement numbers, Supervisorial Districts, reimbursement methodology, services provided, Agreement terms, and MCAs per fiscal year for each Agreement.

Attachment II is the revised DMH LE Agreement format.

Attachment III details the Los Angeles County Community Business Enterprise (LAC/CBE) Program, Firm/Organization Information form.

CONTRACTING PROCESS

All of the 32 LE contractors have existing agreements with DMH, which will expire on June 30, 2005, and are being renewed because of the continuing need for their services. As mandated by your Board, the performance of all contractors is evaluated by DMH on an annual basis to ensure the contractors' compliance with all contract terms and performance standards.

IMPACT ON CURRENT SERVICES

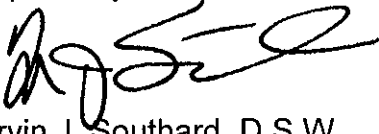

The renewal of these 32 LE Agreements will allow for the continued and uninterrupted mental health services to existing mental health clients throughout Los Angeles County. Without Board approval, essential mental health services will be curtailed and inaccessible to communities.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

3 NOW, THEREFORE, Contractor and County agree as follows:

4 **PREAMBLE**

5 For over a decade, the County has collaborated with its community partners to enhance the
6 capacity of the health and human services system to improve the lives of children and families. These
7 efforts require, as a fundamental expectation, that the County's contracting partners share the County
8 and community's commitment to provide health and human services that support achievement of the
9 County's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service
10 delivery systems and the adoption of the Customer Service and Satisfaction Standards.

11 The County of Los Angeles' Vision is to improve the quality of life in the County by providing
12 responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and
13 prosperity of individuals, families, businesses and communities. This philosophy of teamwork and
14 collaboration is anchored in the shared values of:

- 15
- | | |
|-------------------|-------------------------|
| ➤ Responsiveness | ➤ Integrity |
| ➤ Professionalism | ➤ Commitment |
| ➤ Accountability | ➤ A Can-Do Attitude |
| ➤ Compassion | ➤ Respect for Diversity |
- 16

17 These shared values are encompassed in the County Mission to enrich lives through effective
18 and caring service and the County Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce
19 Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-
20 Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-
21 being of children and families requires coordination, collaboration, and integration of services across
22 functional and jurisdictional boundaries, by and between County departments/agencies, and community
23 and contracting partners.

24 The basic conditions that represent the well-being we seek for all children and families in Los
25 Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in
26 January 1993.

- 27
- 28 • Good Health;
 - 29 • Economic Well-Being;
 - 30 • Safety and Survival;
 - 31 • Emotional and Social Well-Being; and
 - Education and Workforce Readiness.

32 Recognizing no single strategy - in isolation - can achieve the County's outcomes of well-being
33 for children and families, consensus has emerged among County and community leaders that making
34 substantial improvements in integrating the County's health and human services system is necessary to
35 significantly move toward achieving these outcomes. The County has also established the following

1 values and goals for guiding this effort to integrate the health and human services delivery system:

- 2 ✓ Families are treated with respect in every encounter they have with the health,
3 educational, and social services systems.
- 4 ✓ Families can easily access a broad range of services to address their needs, build on their
5 strengths, and achieve their goals.
- 6 ✓ There is no "wrong door": wherever a family enters the system is the right place.
- 7 ✓ Families receive services tailored to their unique situations and needs.
- 8 ✓ Service providers and advocates involve families in the process of determining service
9 plans, and proactively provide families with coordinated and comprehensive information,
10 services, and resources.
- 11 ✓ The County service system is flexible, able to respond to service demands for both the
12 Countywide population and specific population groups.
- 13 ✓ The County service system acts to strengthen communities, recognizing that just as
14 individuals live in families, families live in communities.
- 15 ✓ In supporting families and communities, County agencies work seamlessly with public and
16 private service providers, community-based organizations, and other community partners.
- 17 ✓ County agencies and their partners work together seamlessly to demonstrate substantial
18 progress towards making the system more strength-based, family-focused, culturally-
19 competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and
20 accountable.
- 21 ✓ County agencies and their partners focus on administrative and operational enhancements
22 to optimize the sharing of information, resources, and best practices while also protecting
23 the privacy rights of families.
- 24 ✓ County agencies and their partners pursue multi-disciplinary service delivery, a single
25 service plan, staff development opportunities, infrastructure enhancements, customer
26 service and satisfaction evaluation, and revenue maximization.
- 27 ✓ County agencies and their partners create incentives to reinforce the direction toward
28 service integration and a seamless service delivery system.
- 29 ✓ The County human service system embraces a commitment to the disciplined pursuit of
30 results accountability across systems. Specifically, any strategy designed to improve the
31 County human services system for children and families should ultimately be judged by
32 whether it helps achieve the County's five outcomes for children and families: good
33 health, economic well-being, safety and survival, emotional and social well-being, and
34 education and workforce readiness.

35 The County, its clients, contracting partners, and the community will continue to work together

1 to develop ways to make County services more accessible, customer friendly, better integrated, and
2 outcome-focused. Several departments have identified shared themes in their strategic plans for
3 achieving these goals including: making an effort to become more consumer/client-focused; valuing
4 community partnerships and collaborations; emphasizing values and integrity; and using a strengths-
5 based and multi-disciplinary team approach. County departments are also working to provide the Board
6 of Supervisors and the community with a better understanding of how resources are being utilized,
7 how well services are being provided, and what are the results of the services: is anyone better off?

8 The County of Los Angeles health and human service departments and their partners are
9 working together to achieve the following ***Customer Service And Satisfaction Standards*** in support of
10 improving outcomes for children and families.

11 ***Personal Service Delivery***

12 The service delivery team – staff and volunteers – will treat customers and each other with
13 courtesy, dignity, and respect.

- 14 • Introduce themselves by name
- 15 • Listen carefully and patiently to customers
- 16 • Be responsive to cultural and linguistic needs
- 17 • Explain procedures clearly
- 18 • Build on the strengths of families and communities

19 ***Service Access***

20 Service providers will work proactively to facilitate customer access to services.

- 21 • Provide services as promptly as possible
- 22 • Provide clear directions and service information
- 23 • Outreach to the community and promote available services
- 24 • Involve families in service plan development
- 25 • Follow-up to ensure appropriate delivery of services

26 ***Service Environment***

27 Service providers will deliver services in a clean, safe, and welcoming environment, which
28 supports the effective delivery of services.

- 29 • Ensure a safe environment
- 30 • Ensure a professional atmosphere
- 31 • Display vision, mission, and values statements
- 32 • Provide a clean and comfortable waiting area
- 33 • Ensure privacy
- 34 • Post complaint and appeals procedures

35 The basis for all County health and human services contracts is the provision of the highest
36 level of quality services that support improved outcomes for children and families. The County and its
37 contracting partners must work together and share a commitment to achieve a common vision, goals,
38 outcomes, and standards for providing services.

15 determined by Contractor, where an immediate patient/client transfer or referral is indicated, Contractor
16 may make an immediate transfer or referral. If Contractor terminates this Agreement, all costs related
17 to all such transfers or referrals as well as all costs related to all continuing services shall not be a

28 reason(s) for such suspension. Thereafter, Contractor may, within 15 days, request reconsideration of
29 the Director's decision. Payments shall not be withheld pending the results of the reconsideration
30 process.

17 harmless from and against any loss to Contractor resulting from any such State denials, unresolved
18 EOB claims, and/or any Federal and/or State audit disallowances for such Title XIX
19 Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities.

20 (6) Contractor shall hold County harmless from and against any loss to Contractor
21 resulting from any such State denials, unresolved EOB claims, and/or any Federal and/or State audit

24 totally liable and responsible for: (1) the accuracy of all data and information on all claims for EPSDT
25 Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services which Contractor inputs
26 into MHMIS or IS, (2) the accuracy of all data and information which Contractor provides to DMH, and
27 (3) ensuring that all EPSDT Title XIX Medi-Cal services, and/or Title XIX Short-Doyle/Medi-Cal services,

35 claiming and documentation.

36 Contractor shall maintain an audit file documenting all EPSDT Title XIX Medi-Cal,

1 and/or Title XIX Short-Doyle/Medi-Cal services as instructed by County for a period of seven (7) years
2 from the end of the Fiscal Year in which such services were provided or until final resolution of any

33 approved EPSDT Medi-Cal, and/or Short-Doyle/Medi-Cal data shall be used by County for completion of
34 the EPSDT Title XIX Medi-Cal and Title XIX Short-Doyle/Medi-Cal Reconciliation Report.

3 found by County, State, and/or Federal governments not to be reimbursable.

4 For Federal audit exceptions, Federal audit appeal processes shall be followed. County
5 recovery of Federal overpayment shall be made in accordance with all applicable Federal laws,
6 regulations, manuals, guidelines, and directives.

7 For State audit exceptions, County shall immediately recover any overpayment from
8 Contractor when the State recovers the overpayment from County.

9 For County audit exceptions, County shall immediately recover the overpayment from
10 Contractor 30 days from the date of the applicable audit determination by Director.

11 Contractor shall pay County according to the method described in Subparagraph S
12 (Payments Due to County/Method of Payment).

22 Summary as funds to be disbursed by County shall not total more than the Maximum Contract Amount
23 for the applicable period of the Agreement term as specified in Subparagraphs B (Reimbursement For
24 Initial Period) and C (Reimbursement If Agreement Is Automatically Renewed).

34 Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities.

35 EPSDT Title XIX Medi-Cal and FFP funds shall be subject to all applicable Federal and
36 State laws, rules, regulations, manuals, guidelines, and directives.

1 (5) To the extent permitted by Federal law, certain funds, as designated on the
2 Financial Summary, may be used to match the FFP component of reimbursement for Title XIX
3 Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities, in order to achieve
4 the maximum Federal reimbursement possible for mental health services and administrative activities
5 provided under this Agreement.

6 H. Government Funding Restrictions: This Agreement shall be subject to any restrictions,
7 limitations, or conditions imposed by State, including, but not limited to, those contained in State's
8 Budget Act, which may in any way affect the provisions or funding of this Agreement. This
9 Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the
10 Federal government which may in any way affect the provisions or funding of this Agreement.

11 I. Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest:

12 (1) Contractor shall comply with all County, State, and Federal requirements and
13 procedures, as described in WIC Sections 5709, 5710 and 5721, relating to: (1) the determination and
14 collection of patient/client fees for services hereunder based on UMDAP and DMH's Revenue Manual,

16 party revenue, and (3) the collection, reporting and deduction of all patient/client and other revenue for
17 patients/clients receiving services hereunder. Contractor shall vigorously pursue and report collection of
18 all patient/client and other revenue.

19 (2) All fees paid by patients/clients receiving services under this Agreement and all
20 fees paid on behalf of patients/clients receiving services hereunder shall be utilized by Contractor only
21 for the delivery of mental health service units specified in this Agreement.

22 (3) If Contractor provides Title XIX Medi-Cal Administrative Activities funded by
23 Title XIX pursuant to WIC Section 14132.44 as described in Paragraph 3 (DESCRIPTION OF
24 SERVICES), or then Contractor shall assure that FFP reimbursement for such Title XIX Medi-Cal
25 Administrative Activities and shall be utilized by Contractor only for the provision of Title XIX Medi-Cal
26 Administrative Activities.

27 (4) Contractor may retain unanticipated revenue, which is not shown in
28 Contractor's Negotiation Package for this Agreement, for a maximum period of one Fiscal Year,
29 provided that the unanticipated revenue is utilized for the delivery of mental health service units
30 specified in this Agreement. Contractor shall report the mental health services funded by this
31 unanticipated revenue in the Annual Cost Report submitted by Contractor to County. The Annual Cost
32 Report shall be prepared as instructed by State and County.

33 (5) Contractor shall not retain any fees paid by any resources for or on behalf of
34 Medi-Cal beneficiaries without having those fees deducted from the cost of providing the mental health
35 service/units specified in this Agreement.

36 (6) Contractor may retain any interest and/or return which may be received, earned

1 or collected from any funds paid by County to Contractor, provided that Contractor shall utilize all such
2 interest and return only for the delivery of mental health service units specified in this Agreement.

3 (7) Failure of Contractor to report in all its monthly claims and in its Annual Cost
4 Report all fees paid by patients/clients receiving services hereunder, all fees paid on behalf of
5 patients/clients receiving services hereunder, all fees paid by third parties on behalf of Medi-Cal
6 beneficiaries receiving services and/or activities hereunder, all unanticipated revenue not shown in
7 Contractor's Negotiation Package for this Agreement, and all interest and return on funds paid by
8 County to Contractor, shall result in: (1) Contractor's submission of a revised claim statement showing
9 all such nonreported revenue, (2) a report by County to SDMH of all such nonreported revenue, (3) a
10 report by County to the Federal Health Care Financing Administration (HCFA) should any such
11 unreported revenue be paid by any resources for or on behalf of Medi-Cal beneficiaries, and/or (4) any
12 appropriate financial adjustment to Contractor's reimbursement.

13 J. Payment:

14 (1) For each month of the term of this Agreement, Contractor shall submit to
15 County a claim for each applicable row (payer funding source) identified on the Financial Summary and
16 Rate Schedule, in the form and content specified by County. Each monthly claim shall be submitted
17 within 60 days of Contractor's receipt of County's MHMIS or IS reports, as applicable, for the last date
18 mental health services were provided during the particular month and within 60 days of the last date
19 Title XIX Medi-Cal Administrative Activities were provided during the particular month.

20 (a) Cost Reimbursement: Contractor's monthly claim to County shall show
21 all Contractor's actual and allowable costs and all other revenue, interest and return resulting from
22 services/activities and/or funds paid by County to Contractor hereunder for the particular month. The
23 County may make provisional reimbursement, subject to final settlement to cost. All provisional
24 reimbursement shall be based upon specialty mental health services actually provided as shown on
25 County's Claims Systems reports. Contractor certifies that all units of service claimed by Contractor
26 on a provisional reimbursement basis are true and accurate claims for reimbursement.

27 (b) For IMDs Only: Those Institutions for Mental Disease which are
28 licensed as Skilled Nursing Facilities (SNF) by SDHS are, thereby, entitled by law to the rates
29 established by SDHS for Skilled Nursing Facilities. The IMD rate consists of a basic SNF rate and a STP
30 rate, or a MHRC rate. Contractor's monthly claim to County shall be for those patient days that have
31 been approved in writing by the County and shall be separately itemized by each patient day. Claims
32 shall be submitted to County within 30 days of the end of the billing period. Monthly claims shall be
33 reviewed and approved by County.

34 (c) Negotiated Rate: Contractor's monthly claim to County shall be
35 separately itemized by each SFC to show the payment calculation for each SFC by multiplying the SFC
36 units as shown on MHMIS or IS reports by the applicable NR for such SFC as shown on the Financial

Summary, except that for PATH and SAMHSA services, Contractor's monthly claim shall show Contractor's actual and allowable costs, less all fees paid by or on behalf of patients/clients receiving services hereunder and all other revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder.

i. DMH shall have the option to deny payment for services when documentation of clinical work does not meet minimum State and County standards.

ii. Final reimbursement to Contractor shall not exceed the listed rates as shown on the Financial Summary. Provisional reimbursement to contractor shall be at the State established Title XXII rates for CPT codes. At cost report, provisional reimbursement will be adjusted to State approved Negotiated Rates not to exceed the rates shown on the Financial Summary and shall be considered payment in full, subject to third party liability and beneficiary share of cost, for the specialty mental health services provided to a beneficiary. Reimbursement shall be made only for State approved Short-Doyle/Medi-Cal claims and to the extent that funds allocated by State for County specifically for these services are available.

iii. For Organizational Providers Only. Provisional reimbursement shall be based on the rates shown on the Provisional Rate Schedule(s) as published and periodically revised as supplements to the Los Angeles County DMH Fee-For-Service Medi-Cal Specialty Mental Health Services Provider Manual by the DMH, Office of Managed Care and distributed to DMH Organizational Providers and to the Los Angeles County DMH Contracts Development and Administration Division.

Further, Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by Contractor pursuant to this Agreement.

(2) On the basis of this monthly claim and after Director's review and approval of the monthly claim, Contractor shall receive from County payment of Contractor's claimed amount for NR services, and actual and allowable costs for all cost reimbursed services and activities, less all revenue, interest and return resulting from services/activities and/or funds paid by County to Contractor hereunder, including, but not limited to, all Medicare, patient/client fees, private insurance, and any other revenue, interest and return as described in Subsection 7 of Subparagraph I (Patient/Client Eligibility, UMDAP Fees, Third Party Revenue, and Interest).

The monthly claim and subsequent payment shall be made in accordance with County policies and procedures. If a claim is not submitted as required by County, then payment shall be withheld until County is in receipt of a complete and correct claim and such claim has been reviewed and approved by Director.

If Contractor has received any Cash Flow Advance pursuant to Subparagraph K (Cash Flow Advances In Expectation of Services/Activities To Be Rendered), then Director may, in his discretion, at any time, make adjustments to any of Contractor's monthly claims as necessary to

1 ensure that Contractor shall not be paid by County a sum in excess of the amount determined by
2 multiplying the SFC units as shown on MHMIS or IS reports by the applicable NR for such SFC as
3 shown on the Financial Summary for NR services and/or Contractor's actual and allowable costs of
4 providing mental health services and Title XIX Medi-Cal Administrative Activities, or the Maximum
5 Contract Amount for such Fiscal Year as shown in Subparagraphs B (Reimbursement for Initial Period)
6 or C (Reimbursement If Agreement Is Automatically Renewed), whichever is less, less all revenue,
7 interest and return resulting from services/activities and/or funds paid by County to Contractor
8 hereunder. Contractor may request in writing, and shall receive if requested, DMH's computations for
9 determining any adjustment to Contractor's monthly claim.

10 (3) All monthly claims shall be subject to adjustment based upon the MHMIS or IS
11 reports, as applicable, EOB data, and/or Contractor's Annual Cost Report which shall supersede and
12 take precedence over all claims.

13 (4) All monthly claims shall be based on mental health services actually provided as
14 shown on MHMIS or IS reports, as applicable, and/or Title XIX Medi-Cal Administrative Activities
15 actually provided as shown by State-approved time studies prepared or actual and allowable costs for
16 State approved units of activities reported by Contractor. Contractor certifies that all units of services
17 reported by Contractor into MHMIS or IS are true and accurate claims for reimbursement.

18 (5) EPSDT Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal FFP funds
19 shall be paid by County to Contractor only for State approved claims for EPSDT Title XIX Medi-Cal
20 and/or Title XIX Short-Doyle/Medi-Cal SFC units provided to eligible Medi-Cal beneficiaries. EPSDT
21 Title XIX Medi-Cal funds, and Title XIX Short-Doyle/Medi-Cal FFP funds shall be paid by County to
22 Contractor only in arrears, only for the period of time Contractor is certified as a Title XIX
23 Short-Doyle/Medi-Cal provider, only to the extent that eligible FFP matching funds are available under
24 this Agreement, and only after County has received EPSDT and FFP payment from State.

25 (6) Title XIX Medi-Cal Administrative Activities FFP funds shall be paid by County
26 to Contractor only for State approved claims for Title XIX Medi-Cal Administrative Activities based on
27 time studies prepared or actual and allowable costs for units of activities reported by Contractor. Title
28 XIX Medi-Cal Administrative Activities FFP funds shall be paid by County to Contractor only in arrears
29 and only if Contractor is authorized as a Title XIX Medi-Cal Administrative Activities provider, only to
30 the extent that eligible FFP matching funds are available under this Agreement, and only after County
31 has received FFP payment from State.

32 (7) EPSDT and FFP funds shall be paid by County to Contractor solely in County's
33 capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services, Title XIX
34 Short-Doyle/Medi-Cal services, and Title XIX Medi-Cal Administrative Activities. Each Fiscal Year of
35 the term of this Agreement, County shall pay to Contractor FFP funds only to the extent that the
36 applicable Maximum Contract Amount has eligible State and/or local funds which qualify as the match

1 to FFP, as required by Federal and/or State laws, regulations, manuals, guidelines, and directives.

2 (8) EPSDT Title XIX Medi-Cal services funds, Title XIX Short-Doyle/Medi-Cal
3 services FFP funds, Title XIX Medi-Cal Administrative Activities FFP funds, shall be paid by County to
4 Contractor solely in County's capacity as the fiscal intermediary for EPSDT Title XIX Medi-Cal services,
5 Title XIX Short-Doyle/Medi-Cal services, Title XIX Medi-Cal Administrative Activities. Each Fiscal Year
6 of the term of this Agreement, County shall pay to Contractor EPSDT Title XIX Medi-Cal services,
7 and/or Title XIX Short-Doyle/Medi-Cal services, and/or Title XIX Medi-Cal Administrative Activities
8 funds only to the extent required by Federal laws, regulations, manuals, guidelines, and directives.

9 (9) Notwithstanding any other provision of this Agreement, in the event that
10 Contractor provides EPSDT Title XIX Medi-Cal services pursuant to the EPSDT provisions of this
11 Agreement in excess of Contractor's EPSDT baseline as identified in Paragraph 4 (FINANCIAL
12 PROVISIONS), Subparagraph A (3) (EPSDT) as calculated with SDMH service approval data, and
13 County does not meet the Fiscal Year 1994-95 base as adjusted by the State, Contractor shall be paid
14 by County from a CGF risk reserve pool established for this purpose. The CGF risk reserve pool funds
15 shall be maintained in accordance with County policies and procedures and shall be for the SDMH
16 general fund portion of the individual Contractor's EPSDT approved services.

17 (10) County pays any EPSDT-SGF (Early and Periodic Screening, Diagnosis, and
18 Treatment--State General Funds) local matching funds in excess of the EPSDT baseline as identified in
19 Paragraph 4 (FINANCIAL PROVISIONS), Subparagraph A (3) (EPSDT) and Medi-Cal Federal Financial
20 Participation Funds (FFP) to Contractor solely in County's capacity as the EPSDT-SGF and FFP
21 intermediary between the Contractor and the State. Solely to assist the County in expeditiously
22 processing and initially paying Contractor (because of the internal accounting necessity for
23 appropriation authority) for such claims for payment pending reimbursement from the State, the
24 Maximum Contract Amount(s) of this Agreement shall include EPSDT-SGF and/or FFP. This will
25 establish legal authorization by the Board of Supervisors to make expenditures for the services and/or
26 activities identified on the Financial Summary and Service Exhibit(s) of this Agreement, pending
27 reimbursement by the State. To the extent Contractor exceeds the EPSDT-SGF and/or FFP amount(s)
28 included in this Agreement, such excess will be paid to Contractor only upon Contract Amendment
29 approved by the Board of Supervisors, or from an Appropriation Account set up to record the Board's
30 specific authorization to spend EPSDT-SGF and FFP in excess of the Maximum Contract Amount(s).

31 Contractor understands and agrees that County's assistance in processing
32 and, as an intermediary for the State and Federal governments, initially paying for EPSDT-SGF and
33 FFP in accordance with the above is subject to reimbursement from the State and does not render
34 County in any way responsible for the substantive obligation to be ultimately fiscally responsible for
35 payment for Contractor's claims for payment for these services. Contractor's entitlement to
36 payment for such services, or claimed services, is entirely dependent upon compliance with the law

1 and regulations related to same. In the event of a dispute regarding entitlement for payment,
2 Contractor agrees that County is not liable for payment for such claims and will not pursue any such
3 claims for payment against County.

4 (11) No Payment for Services Provided Following Expiration/Termination of
5 Contract: Contractor shall have no claim against County for payment of any money or
6 reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration
7 or other termination of this Contract. Should Contractor receive any such payment, it shall
8 immediately notify County and shall immediately repay all such funds to County. Payment by
9 County for services rendered after expiration/termination of this Contract shall not constitute a
10 waiver of County's right to recover such payment from Contractor. This provision shall survive the
11 expiration or other termination of this Contract.

12 K. Cash Flow Advance In Expectation Of Services/Activities To Be Rendered:

13 For each month of each fiscal year, County will reimburse Contractor based upon the County
14 and/or State and/or Federal government(s) processing of the reimbursement claims for rendered
15 services/activities submitted by Contractor to the County subject to claim edits, and future settlements
16 and audit processes. However, for each month of each fiscal year not to exceed three (3) or five (5)
17 consecutive months, or portion thereof, as described below, and for such month the County and/or
18 State and/or Federal government(s) have not made payment, and/or such payment is less than 1/12th of
19 the Maximum Contract Amount, Contractor may request in writing from County a monthly County
20 General Fund Cash Flow Advance as herein described.

21 Cash Flow Advance shall consist of, and shall be payable only from, the Maximum Contract
22 Amount appropriation approved by County's Board of Supervisors for the particular fiscal year in which
23 the costs are to be incurred and upon which the request(s) is (are) based.

24 Cash Flow Advance is intended to provide cash flow to Contractor pending Contractor's
25 rendering and billing of eligible services/activities, as identified by Paragraph 3 (DESCRIPTION OF
26 SERVICES/ACTIVITIES) of this Agreement, to the County and/or State and/or Federal government(s),
27 and the County and/or State and/or Federal government(s) have made payment for such
28 services/activities. Contractor may request each monthly Cash Flow Advance only for such
29 services/activities and only when there is no reimbursement from other public or private sources for
30 such services/activities.

31 No Cash Flow Advance will be given if a Contractor has not been certified as an eligible Medi-
32 Cal service provider.

33 The Cash Flow Advance amount for any particular month will be reduced by County payments
34 of actual reimbursement claims received by County from the Contractor. The County's claims payment
35 process is initiated immediately upon County receipt from Contractor of a reimbursement claim. If such
36 Contractor reimbursement claim is received at any time during either the initial three (3) or two (2)

1 additional consecutive months, the monthly payment to Contractor will include the payment for such
2 actual reimbursement claim thereby reducing the Cash Flow Advance disbursement amount for that
3 particular month.

4 Cash Flow Advance is based upon the following:

5 (1) Each month of each fiscal year not to exceed three (3) consecutive months, or portion
6 thereof, that this Agreement is in effect, Contractor may request, separately for each month, in writing
7 from County a monthly County General Fund Cash Flow Advance for any funds which may be part of
8 the Maximum Contract Amount for such fiscal year as identified on the Financial Summary Page.
9 Contractor shall specify in their request the amount of the monthly Cash Flow Advance not to exceed
10 \$_____ per month and the total Cash Flow Advance for the three (3) months shall not exceed
11 \$_____. The Cash Flow Advance monthly amount is 1/12th of Maximum Contract Amount as
12 identified on the Financial Summary Page, annualized Maximum Contract Amount if a partial year.

13 (2) A Contractor providing EPSDT Short-Doyle Medi-Cal services as part of this
14 Agreement, may for two (2) additional consecutive months, or portion thereof, that this Agreement is
15 in effect, request, separately for each month, in writing from County a monthly County General Fund
16 Cash Flow Advance for any FFP and/or EPSDT-SGF funds designated for clients less than 21 years of
17 age which may be part of the Maximum Contract Amount for such fiscal year as shown on the
18 Financial Summary Page. Contractor shall specify in their request the amount of the monthly Cash
19 Flow Advance not to exceed \$_____ per month for each of the two (2) additional consecutive
20 months and the total Cash Flow Advance for the two (2) additional consecutive months shall not
21 exceed \$_____.

22 The Cash Flow Advance monthly amount for each of the two (2) consecutive months is:

23 (1) 1/12th of the Maximum Contract Amount for EPSDT-SGF as identified on the Financial
24 Summary Page, annualized Maximum Contract Amount if a partial year plus;

25 (2) An amount equal to the 1/12th of the Maximum Contract Amount for EPSDT-SGF that
26 is the Cash Flow Advance component for the anticipated FFP financial participation to be provided by
27 the Federal government for services provided to EPSDT Medi-Cal beneficiaries.

28 Upon receipt of a request, Director, in his sole discretion, shall determine whether to approve
29 the Cash Flow Advance request and, if approved, whether the request is approved in whole or in part.
30 The time schedules and examples for County claims payment, and the three (3) and five (5) months

6 such services and/or administrative activities is less than payments made by County to Contractor,
7 then the difference shall be due by Contractor to County, unless Contractor files an appeal with
8 County, in which case the amount due, if any, will be determined upon the completion of the appeal.
9 Contractor shall pay County according to the method described in Subparagraph S (Payments Due to
10 County/Method of Payment).

2 understanding for any commission, percentage, brokerage, or contingent fee, excepting bona fide
3 employees or bona fide established commercial or selling agencies maintained by Contractor for the
4 purpose of securing business. For Contractor's breach or violation of this warranty, County may, in its
5 sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full
6 amount of such commission, percentage, brokerage, or contingent fee.

8 A. No County employee whose position in County enables such employee to influence the
9 award or administration of this Agreement or any competing agreement, and no spouse or economic
10 dependent of such employee, shall be employed in any capacity by Contractor or have any direct or

28 within the County of Los Angeles that have such a service.

29 **24. INDEPENDENT STATUS OF CONTRACTOR:**

30 A. This Agreement is by and between County and Contractor and is not intended, and

33 shall not be, or be construed to be, the employees or agents of the other party for any purpose
34 whatsoever.

35 B. Contractor shall be solely liable and responsible for providing to, or on behalf of, all
36 persons performing work pursuant to this Agreement all compensation and benefits. County shall have

1 no liability or responsibility for the payment of any salaries, wages, unemployment benefits, disability
2 benefits, Federal, State, or local taxes, or other compensation, benefits, or taxes for any personnel

4 C. Contractor understands and agrees that all persons performing services pursuant to this
5 Agreement are, for purposes of workers' compensation liability, the sole employees of Contractor and
6 not employees of County. Contractor shall be solely liable and responsible for furnishing any and all
7 workers' compensation benefits to any person as a result of any injuries arising from or connected with
8 any services performed by or on behalf of Contractor pursuant to this Agreement.

9 D. Contractor shall obtain and maintain on file an executed Contractor Employee
10 Acknowledgment of Employer, in the form as contained in Contractor's Negotiation Package for this
11 Agreement, for each of its employees performing services under this Agreement. Such
12 Acknowledgments shall be executed by each such employee on or immediately after the
13 commencement date of this Agreement but in no event later than the date such employee first
14 performs services under this Agreement.

15 25. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF OR FORMER
16 COUNTY EMPLOYEES ON A REEMPLOYMENT LIST: Should Contractor require additional or
17 replacement personnel after the effective date of this Agreement to perform the services set forth

25 Public Social Services' Greater Avenues for Independence (GAIN) Program or General Relief
26 Opportunities for Work (GROW) Program who meet Contractor's minimum qualifications for the open
27 position. The County will refer GAIN/GROW participants, by job category, to the Contractor.
28 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring,
29 County employees shall be given priority.

30 27. DELEGATION AND ASSIGNMENT: Contractor shall not delegate its duties or assign its rights
31 under this Agreement, or both, either in whole or in part, without the prior written consent of County,
32 and any prohibited delegation or assignment shall be null and void. Any payments by County to any
33 delegatee or assignee on any claim under this Agreement, in consequence of any such consent, shall be
34 subject to set off, recoupment, or other reduction for any claim which Contractor may have against
35 County.

1 28. SUBCONTRACTING:

2 A. No performance of this Agreement, or any portion thereof, shall be subcontracted by
3 Contractor without the prior written consent of County as provided in this Paragraph 28. Any attempt
4 by Contractor to subcontract any performance, obligation, or responsibility under this Agreement,
5 without the prior written consent of County, shall be null and void and shall constitute a material
6 breach of this Agreement. Notwithstanding any other provision of this Agreement, in the event of any
7 such breach by Contractor, this Agreement may be terminated forthwith by County. Notwithstanding
8 any other provision of this Agreement, the parties do not in any way intend that any person or entity
9 shall acquire any rights as a third party beneficiary of this Agreement.

10 B. If Contractor desires to subcontract any portion of its performance, obligations, or
11 responsibilities under this Agreement, Contractor shall make a written request to County for written
12 approval to enter into the particular subcontract. Contractor's request to County shall include:

- 13 (1) The reasons for the particular subcontract.
14 (2) A detailed description of the services to be provided by the subcontract.

22 of Los Angeles and shall be subject to all of the provisions of such prime contract."

23 (6) A copy of the proposed subcontract, if in excess of \$10,000 and utilizes State
24 funds, shall also contain the following provision:

25 "The contracting parties shall be subject to the examination and audit of the Auditor
26 General for a period of three (3) years after final payment under contract (Government
27 Code, Section 8546.7)."

28 The Contractor will also be subject to the examination and audit of the State
29 Auditor General for a period of three (3) years after final payment under contract (Government Code,
30 Section 8546.7).

31 (7) Any other information and/or certifications requested by County.

32 C. County shall review Contractor's request to subcontract and shall determine, in its sole
33 discretion, whether or not to consent to such request on a case-by-case basis.

34 D. Contractor shall indemnify and hold harmless County, its officers, employees, and
35 agents, from and against any and all liability, damages, costs, and expenses, including, but not limited
36 to, defense costs and legal fees, arising from or related to Contractor's use of any subcontractor,

1 including any officers, employees, or agents of any subcontractor, in the same manner as required for
2 Contractor, its officers, employees, and agents, under this Agreement.

3 E. Notwithstanding any County consent to any subcontracting, Contractor shall remain
4 fully liable and responsible for any and all performance required of it under this Agreement, and no
5 subcontract shall bind or purport to bind County. Further, County approval of any subcontract shall not
6 be construed to limit in any way Contractor's performance, obligations, or responsibilities, to County,
7 nor shall such approval limit in any way any of County's rights or remedies contained in this
8 Agreement. Additionally, County approval of any subcontract shall not be construed in any way to
9 constitute the determination of the allowability or appropriateness of any cost or payment under this
10 Agreement.

11 F. In the event that County consents to any subcontracting, such consent shall be subject
12 to County's right to give prior and continuing approval of any and all subcontractor personnel providing
13 services under such subcontract. Contractor shall assure that any subcontractor personnel not
14 approved by County shall be immediately removed from the provision of any services under the
15 particular subcontract or that other action is taken as requested by County. County shall not be liable
16 or responsible in any way to Contractor, to any subcontractor, or to any officers, employees, or agents
17 of Contractor or any subcontractor, for any liability, damages, costs or expenses arising from or related
18 to County's exercise of such right.

19 G. In the event that County consents to any subcontracting, such consent shall be subject
20 to County's right to terminate, in whole or in part, any subcontract at any time upon written notice to
21 Contractor when such action is deemed by County to be in its best interest. County shall not be liable
22 or responsible in any way to Contractor, to any subcontractor, or to any officers, employees, or agents
23 of Contractor or any subcontractor, for any liability, damages, costs, or expenses arising from or related
24 to County's exercise of such right.

25 H. In the event that County consents to any subcontracting, each and all of the provisions
26 of this Agreement and any amendment thereto shall extend to, be binding upon, and inure to the
27 benefit of, the successors or administrators of the respective parties.

28 I. In the event that County consents to any subcontracting, such consent shall apply to
29 each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph 28
30 or a blanket consent to any further subcontracting.

31 J. In the event that County consents to any subcontracting, Contractor shall be solely
32 liable and responsible for any and all payments and/or other compensation to all subcontractors and
33 their officers, employees, and agents. County shall have no liability or responsibility whatsoever for
34 any payment and/or other compensation for any subcontractors or their officers, employees, and
35 agents.

36 K. Contractor shall deliver to the Chief of DMH's Contracts Development and

1 Administration Division a fully executed copy of each subcontract entered into by Contractor pursuant
2 to this Paragraph 28, on or immediately after the effective date of the subcontract but in no event later
3 than the date any services are performed under the subcontract.

4 L. In the event that County consents to any subcontracting, Contractor shall obtain and
5 maintain on file an executed Subcontractor Employee Acknowledgment of Employer, in the form as
6 contained in Contractor's Negotiation Package for the Agreement, for each of the subcontractor's
7 employees performing services under the subcontract. Such Acknowledgments shall be delivered to
8 the Chief of DMH's Contracts Development and Administration Division on or immediately after the
9 commencement date of the particular subcontract but in no event later than the date such employee
10 first performs any services under the subcontract.

11 M. County shall have no liability or responsibility whatsoever for any payment or other
12 compensation for any subcontractor or its officers, employees, and agents.

13 N. Director is hereby authorized to act for and on behalf of County pursuant to this
14 Paragraph 28, including, but not limited to, consenting to any subcontracting.

15 29. GOVERNING LAW, JURISDICTION AND VENUE: This Agreement shall be governed by, and
16 construed in accordance with, the laws of the State of California. Contractor agrees and consents to
17 the exclusive jurisdiction of the courts of the State of California for all purposes regarding this
18 Agreement and further agrees and consents that venue of any action brought hereunder shall be
19 exclusively in the County of Los Angeles, California. Further, this Agreement shall be governed by, and
20 construed in accordance with, all laws, regulations, and contractual obligations of County under its
21 agreement with the State.

22 30. COMPLIANCE WITH APPLICABLE LAW:

23 A. Contractor shall comply with all Federal, including, but not limited to, Title XIX of the
24 Social Security Act, State, and local laws, ordinances, rules, regulations, manuals, guidelines,
25 Americans with Disabilities Act (ADA) standards, and directives applicable to its performance
26 hereunder. Further, all provisions required thereby to be included in this Agreement are hereby
27 incorporated herein by reference.

28 B. Contractor shall indemnify and hold harmless County from and against any and all
29 liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees,
30 arising from or related to any violation on the part of Contractor, its officers, employees, or agents, of
31 any such Federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA
32 standards, or directives.

33 C. Contractor shall maintain in effect an active compliance program in accordance with
34 the recommendations set forth by the Department of Health and Human Services, Office of the
35 Inspector General.

36 31. THIRD PARTY BENEFICIARIES: Notwithstanding any other provision of this Agreement, the

11 permits, registrations, accreditations, and certificates which are applicable to their performance
12 hereunder. A copy of each such license, permit, registration, accreditation, and certificate (including,

22 Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit
23 financially from County through contract are in compliance with their court-ordered child, family, and
24 spousal support obligations in order to mitigate the economic burden otherwise imposed upon County
25 and its taxpayers.

26 As required by County's Child Support Compliance Program (County Code Chapter
27 2.200) and without limiting Contractor's duty under this Agreement to comply with all applicable
28 provisions of law, Contractor warrants that it is now in compliance and shall during the term of this

30 the Federal Social Security Act (42 United States Code (USC) Section 653a) and California

35 B. Termination for Breach of Warranty to Maintain Compliance with County's Child
36 Support Compliance Program: Failure of Contractor to maintain compliance with the requirements set

1 forth in Subparagraph A (Contractor's Warranty of Adherence to County's Child Support Compliance
2 Program) shall constitute default under this Agreement. Without limiting the rights and remedies
3 available to County under any other provision of this Agreement, failure of Contractor to cure such
4 default within 90 calendar days of written notice shall be grounds upon which County may terminate
5 this Agreement pursuant to Paragraph 35 (TERMINATION FOR DEFAULT) and pursue debarment of
6 Contractor, pursuant to County Code Chapter 2.202.

7 **34. TERMINATION FOR INSOLVENCY:**

24 (1) If, as determined in the sole judgment of County, Contractor fails to perform
25 any services within the times specified in this Agreement or any extension thereof as County may
26 authorize in writing; or

27 (2) If, as determined in the sole judgment of County, Contractor fails to perform

30 circumstances, does not cure such failure within a period of five days (or such longer period as County
31 may authorize in writing) after receipt of notice from County specifying such failure.

32 B. In the event that County terminates this Agreement as provided in Subparagraph A,
33 County may procure, upon such terms and in such manner as County may deem appropriate, services
34 similar to those so terminated, and Contractor shall be liable to County for any reasonable excess costs
35 incurred by County, as determined by County, for such similar services.

36 C. The rights and remedies of County provided in this Paragraph 35 shall not be exclusive

1 and are in addition to any other rights and remedies provided by law or under this Agreement.

2 36. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to
3 Contractor, immediately terminate the right of Contractor to proceed under this Agreement if it is found
4 that consideration, in any form, was offered or given by Contractor, either directly or through an
5 intermediary, to any County officer, employee or agent with the intent of securing the Agreement or
6 securing favorable treatment with respect to the award, amendment or extension of the Agreement or
7 the making of any determinations with respect to the Contractor's performance pursuant to the
8 Agreement. In the event of such termination, County shall be entitled to pursue the same remedies
9 against Contractor as it could pursue in the event of default by the Contractor.

10 Contractor shall immediately report any attempt by a County officer or employee to solicit such
11 improper consideration. The report shall be made either to the County manager charged with the
12 supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213)

23 Agreement, or the Financial Summary or Service Exhibit(s) hereto, whether by written or oral
24 understanding of the parties, their officers, employees or agents, shall be valid and effective unless

33 exclusive statement of understanding between the parties which supersedes all previous agreements,
34 written or oral, and all other communications between the parties relating to the subject matter of this
35 Agreement. In the event of any conflict or inconsistency in the definition or interpretation of any word,
36 responsibility, or schedule, or the contents or description of any service or other work, or otherwise,

1 between the body of this Agreement and the other referenced documents, or between such other
2 documents, such conflict or inconsistency shall be resolved by giving precedence first to the body of
3 this Agreement and its definitions and then to such other documents according to the following priority:

11 rights and remedies set forth in this Paragraph 41 shall not be exclusive and are in addition to any other
12 rights and remedies provided by law or under this Agreement.

13 42. EMPLOYMENT ELIGIBILITY VERIFICATION: Contractor warrants that it fully complies with all

17 Contractor and its employees shall not manufacture, distribute, dispense, possess, or use any
18 controlled substances as defined in 21 United States Code Section 812, including, but not limited to,
19 marijuana, heroin, cocaine, and amphetamines, at any of Contractor's facilities or work sites or
20 County's facilities or work sites. If Contractor or any of its employees is convicted of or pleads nolo
21 contendere to any criminal drug statute violation occurring at any such facility or work site, then
22 Contractor, within five (5) days thereafter, shall notify Director in writing.

23 48. COUNTY LOBBYISTS: Contractor and each County lobbyist or County lobbying firm as defined
24 in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with
25 County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of
26 Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with
27 County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County
28 may immediately terminate or suspend this Agreement.

29 49. MAINTENANCE STANDARDS FOR SERVICE DELIVERY SITES: Contractor shall assure that all
30 locations where services are provided under this Agreement are operated at all times in accordance
31 with all County community standards with regard to property maintenance and repair, graffiti
32 abatement, refuse removal, fire safety, landscaping, and in full compliance with all applicable local
33 laws, ordinances, and regulations relating to the property. County's periodic monitoring visits to
34 Contractor's facility(ies) shall include a review of compliance with this Paragraph 49.

35 50. NOTICE TO EMPLOYEES REGARDING THE FEDERAL EARNED INCOME CREDIT: Contractor
36 shall notify its employees, and shall require each subcontractor to notify its employees, that they may

1 be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be
2 provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015.

3 51. USE OF RECYCLED-CONTENT PAPER PRODUCTS: Consistent with the Board of Supervisors'
4 policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to
5 use recycled-content paper to the maximum extent possible on the Project.

6 52. CONTRACTOR RESPONSIBILITY AND DEBARMENT: The following requirements set forth in
7 the County's Non-Responsibility and Debarment Ordinance (Title 2, Chapter 2.202 of the County Code)
8 are effective for this Agreement, except to the extent applicable State and/or Federal laws are
9 inconsistent with the terms of the Ordinance.

10 A. A responsible Contractor is a Contractor who has demonstrated the attribute of
11 trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the
12 contract. It is the County's policy to conduct business only with responsible contractors.

13 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County
14 Code, if the County acquires information concerning the performance of the Contractor on this or other
15 Agreements which indicates that the Contractor is not responsible, the County may, in addition to
16 other remedies provided in the Agreement, debar the Contractor from bidding or proposing on, or being
17 awarded, and/or performing work on County Agreements for a specified period of time not to exceed 3
18 years, and terminate any or all existing Agreements the Contractor may have with the County.

19 C. The County may debar a Contractor if the Board of Supervisors finds, in its discretion,
20 that the Contractor has done any of the following: (1) violated a term of an Agreement with the County
21 or a nonprofit corporation created by the County, (2) committed an act or omission which negatively
22 reflects on the Contractor's quality, fitness or capacity to perform a contract with the County, any
23 other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice
24 which negatively reflects on same, (3) committed an act or offense which indicates a lack of business
25 integrity or business honesty, or (4) made or submitted a false claim against the County or any other
26 public entity.

27 D. If there is evidence that the Contractor may be subject to debarment, the Department
28 will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and
29 will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing
30 Board.

31 E. The Contractor Hearing Board will conduct a hearing where evidence on the proposed
32 debarment is presented. The Contractor and/or the Contractor's representative shall be given an
33 opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall
34 prepare a tentative proposed decision, which shall contain a recommendation regarding whether the
35 contractor should be debarred, and, if so, the appropriate length of time of the debarment. The
36 Contractor and the Department shall be provided an opportunity to object to the tentative proposed

1 decision prior to its presentation to the Board of Supervisors.

2 F. After consideration of any objections, or if no objections are submitted, a record of the
3 hearing, the proposed decision and any other recommendation of the Contractor Hearing Board shall be
4 presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny
5 or adopt the proposed decision and recommendation of the Hearing Board.

6 G. These terms shall also apply to subcontractors of County Contractors.

7 53. CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM:

8 Contractor hereby warrants that neither it nor any of its staff members is restricted or excluded
9 from providing services under any health care program funded by the Federal government, directly or
10 indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing
11 of: (1) any event that would require Contractor or a staff member's mandatory exclusion from
12 participation in a Federally funded health care program; and (2) any exclusionary action taken by any
13 agency of the Federal government against Contractor or one or more staff members barring it or the
14 staff members from participation in a Federally funded health care program, whether such bar is direct
15 or indirect, or whether such bar is in whole or in part.

16 There are a variety of different reasons why an individual or entity may be excluded from
17 participating in a Federally funded health care program. Sometimes, the exclusion is mandatory and in
18 other cases the Office of Inspector General (OIG) has the discretion not to exclude.

19 The mandatory bases for exclusion include: (1) felony convictions for program related crimes,
20 including fraud or false claims, or for offenses related to the dispensing or use of controlled substances,
21 or (2) convictions related to patient abuse.

22 Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or
23 financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to
24 provide access to documents or premises as required by federal health care program officials; (4)
25 conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about
26 the entity itself, its subcontractors or its significant business transactions; (6) loss of a state license to
27 practice a health care profession; (7) default on a student loan given in connection with education in a
28 health profession; (8) charging excessive amounts to a Federally funded health care program or
29 furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9)
30 paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded
31 entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities
32 which are owned and controlled by excluded individuals can also be excluded.

33 Contractor shall indemnify and hold County harmless against any and all loss or damage County
34 may suffer arising from any Federal exclusion of Contractor or its staff members from such
35 participation in a Federally funded health care program. Contractor shall provide the certification set
36 forth in Attachment VI as part of its obligation under this Paragraph 53.

1 Failure by Contractor to meet the requirements of this Paragraph 53 shall constitute a material
2 breach of Agreement upon which County may immediately terminate or suspend this Agreement.

3 54. HEALTH INSURANCE PORTABILITY AND ACCOUNTABILITY ACT:

4 A. The parties acknowledge the existence of the Health Insurance Portability and
5 Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and
6 agrees that it is a "*Covered Entity*" under HIPAA and, as such, has obligations with respect to the
7 confidentiality, privacy, and security of patients' medical information, and must take certain steps to
8 preserve the confidentiality of this information, both internally and externally, including the training of
9 staff and the establishment of proper procedures for the release of such information, including the use
10 of appropriate consents and authorizations specified under HIPAA.

11 B. The parties acknowledge their separate and independent obligations with respect to
12 HIPAA, and that such obligations relate to *transactions and code sets, privacy, and security*.
13 Contractor understands and agrees that it is separately and independently responsible for compliance
14 with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on
15 Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice
16 or other representations with respect to Contractor's obligations under HIPAA, but will independently
17 seek its own counsel and take the necessary measures to comply with the law and its implementing
18 regulations.

19 C. Contractor and County understand and agree that each is independently responsible for
20 HIPAA compliance and agree to take all necessary and reasonable actions to comply with the
21 requirements of HIPAA law and implementing regulations related to Transactions and Code Sets,
22 Privacy, and Security. Each party further agrees to indemnify and hold harmless the other party
23 (including their officers, employees and agents) for its failure to comply with HIPAA.

24 D. Contractor and County understand and agree that HIPAA has imposed additional
25 requirements in regards to changes in DMH's IS.

26 (1) County desires to clarify IS terminology under this Agreement as it relates to
27 HIPAA, and, accordingly, has set forth in Attachment VIII (Crosswalk Fact Sheet) a "crosswalk" of
28 technical terms, definitions and language to be used with this Agreement.

29 (2) County desires to clarify other HIPAA-related changes set forth in the DMH
30 Provider Manual and which are incorporated herein by reference as though fully set forth.

31 (a) County has added to the DMH Provider Manual a Guide to Procedure
32 Codes, which includes a "crosswalk" of DMH activity codes to Current Procedural Terminology (CPT)
33 and Health Care Procedure Coding System (HCPCS) codes.

34 (b) County has added to the DMH Provider Manual an Electronic Data
35 Interchange/Direct Data Entry (EDI/DDE) Selection and General Requirements Agreement, which
36 includes the method in which Contractor or its Subcontractor(s) elects to submit HIPAA-compliant

1 transactions and requirements for these transactions.

2 (c) County has added to the DMH Provider Manual a Trading Partner Agent
3 Authorization Agreement which includes the Contractor's authorization to its Subcontractor(s) to
4 submit HIPAA-compliant transactions on behalf of Contractor.

5 E. Contractor understands that County operates an informational website
6 www.dmh.co.la.ca.us related to the services under this Agreement and the parties' HIPAA obligations,
7 and agrees to undertake reasonable efforts to utilize said website to obtain updates, other information,
8 and forms to assist Contractor in its performance.

9 F. Contractor understands and agrees that if it uses the services of an Agent in any
10 capacity in order to receive, transmit, store or otherwise process Data or Data Transmissions or
11 perform related activities, the Contractor shall be fully liable to DMH or for any acts, failures or
12 omissions of the Agent in providing said services as though they were the Contractor's own acts,
13 failures, or omissions.

14 G. Contractor further understands and agrees that the terms and conditions of the current
15 Trading Partner Agreement (TPA) set forth in the DMH Provider Manual shall apply to this Agreement
16 and that said Terms and Conditions are incorporated by reference as though fully set forth herein.

17 55. COMPLIANCE WITH JURY SERVICE PROGRAM:

18 A. Jury Service Program: This Agreement is subject to the provisions of the County's
19 ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections
20 2.203.010 through 2.203.090 of the Los Angeles County Code.

21 B. Written Employee Jury Service Policy:

22 (1) Unless Contractor has demonstrated to the County's satisfaction either that
23 Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the
24 County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section
25 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that
26 its Employees shall receive from the Contractor, on an annual basis, no less than five days of regular
27 pay for actual jury service. The policy may provide that Employees deposit any fees received for such
28 jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees
29 received for jury service.

30 (2) For purposes of this Section, "Contractor" means a person, partnership,
31 corporation or other entity which has an Agreement with the County or a subcontract with a County
32 Contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month
33 period under one or more County Agreements or subcontracts. "Employee" means any California
34 resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per
35 week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as
36 determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number

1 of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less
2 within a 12-month period are not considered full-time for purposes of the Jury Service Program. If
3 Contractor uses any subcontractor to perform services for the County under the Agreement, the
4 subcontractor shall also be subject to the provisions of this Section. The provisions of this Section
5 shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be
6 attached to the Agreement.

7 (3) If Contractor is not required to comply with the Jury Service Program when the
8 Agreement commences, Contractor shall have a continuing obligation to review the applicability of its
9 "exception status" from the Jury Service Program, and Contractor shall immediately notify County if
10 Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if
11 Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall
12 immediately implement a written policy consistent with the Jury Service Program. The County may
13 also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate
14 to the County's satisfaction that Contractor either continues to remain outside of the Jury Service
15 Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the
16 Program.

17 (4) Contractor's violation of this section of the Agreement may constitute a material
18 breach of the Agreement. In the event of such material breach, County may, in its sole discretion,
19 terminate the Agreement and/or bar Contractor from the award of future County Agreements for a
20 period of time consistent with the seriousness of the breach.

21 56. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The
22 Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and
23 provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in
24 Los Angeles County, and where and how to safely surrender a baby.

25 The fact sheet is set forth in Attachment VII of this Agreement and is also available on the Internet at
26 www.babysafela.org for printing purposes.

27 57. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY
28 SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on
29 the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the
30 County's policy to encourage all County Contractors to voluntarily post the County's "Safely
31 Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The
32 Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in
33 the subcontractor's place of business. The County's Department of Children and Family Services will
34 supply the Contractor with the poster to be used.

35 58. COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM:

36 *(LANGUAGE APPLIES ONLY TO PROP A LIVING WAGE CONTRACTS)*

1 A. Living Wage Program: This Contract is subject to the provisions of the County's
2 ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the
3 Los Angeles County Code, a copy of which is attached as *Exhibit K* and incorporated by reference into
4 and made a part of this Contract.

5 B. Payment of Living Wage Rates:

6 (1) Unless the Contractor has demonstrated to the County's satisfaction either that
7 the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County
8 Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090
9 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living
10 wage rate, as set forth immediately below, for the Employees' services provided to the County under
11 the Contract:

12 i. Not less than \$9.46 per hour if, in addition to the per-hour wage, the
13 Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care benefits
14 for its Employees and any dependents; or

15 ii. Not less than \$8.32 per hour if, in addition to the per-hour wage, the
16 Contractor contributes at least \$1.14 per hour towards the provision of bona fide health care benefits
17 for its Employees and any dependents. The Contractor will be deemed to have contributed \$1.14 per
18 hour towards the provision of bona fide health care benefits if the benefits are provided through the
19 County Department of Health Services Community Health Plan. If, at any time during the Contract,
20 the Contractor contributes less than \$1.14 per hour towards the provision of bona fide health care
21 benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.

22 (2) For purposes of this Sub-paragraph, "Contractor" includes any subcontractor
23 engaged by the Contractor to perform services for the County under the Contract. If the Contractor
24 uses any subcontractor to perform services for the County under the Contract, the subcontractor shall
25 be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be
26 inserted into any such subcontract Contract and a copy of the Living Wage Program shall be attached
27 to the Contract. "Employee" means any individual who is an employee of the Contractor under the
28 laws of California, and who is providing full-time services to the Contractor, some or all of which are
29 provided to the County under the Contract. "Full-time" means a minimum of 40 hours worked per
30 week, or a lesser number of hours, if the lesser number is a recognized industry standard and is
31 approved as such by the County; however, fewer than 35 hours worked per week will not, in any
32 event, be considered full-time.

33 (3) If the Contractor is required to pay a living wage when the Contract
34 commences, the Contractor shall continue to pay a living wage for the entire term of the Contract,
35 including any option period.

36 (4) If the Contractor is not required to pay a living wage when the Contract

1 commences, the Contractor shall have a continuing obligation to review the applicability of its
2 "exemption status" from the living wage requirement. The Contractor shall immediately notify the
3 County if the Contractor at any time either comes within the Living Wage Program's definition of
4 "Employer" or if the Contractor no longer qualifies for an exception to the Living Wage Program. In
5 either event, the Contractor shall immediately be required to commence paying the living wage and
6 shall be obligated to pay the living wage for the remaining term of the Contract, including any option
7 period. The County may also require, at any time during the Contract and at its sole discretion, that
8 the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain
9 outside of the Living Wage Program's definition of "Employer" and/or that the Contractor continues to
10 qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement
11 within the time frame permitted by the County, the Contractor shall immediately be required to pay the
12 living wage for the remaining term of the Contract, including any option period.

13 C. Contractor's Submittal of Certified Monitoring Reports: The Contractor shall submit to
14 the County certified monitoring reports at a frequency instructed by the County. The certified
15 monitoring reports shall list all of the Contractor's Employees during the reporting period. The certified
16 monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the
17 amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified
18 monitoring reports shall also state the name and identification number of the Contractor's current
19 health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid
20 by each Employee. All certified monitoring reports shall be submitted on forms provided by the County
21 (*Exhibit L and Exhibit M*), or other form approved by the County which contains the above information.

22 The County reserves the right to request any additional information it may deem necessary. If the
23 County requests additional information, the Contractor shall promptly provide such information. The
24 Contractor, through one of its officers, shall certify under penalty of perjury that the information
25 contained in each certified monitoring report is true and accurate.

26 D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims:
27 During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or
28 any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation
29 (including but not limited to any violation or claim pertaining to wages, hours and working conditions
30 such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of
31 minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of
32 any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited
33 to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but
34 instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's
35 operations in California.

36 E. County Auditing of Contractor Records: Upon a minimum of twenty-four (24) hours'

1 written notice, the County may audit, at the Contractor's place of business, any of the Contractor's
2 records pertaining to the Contract, including all documents and information relating to the certified
3 monitoring reports. The Contractor is required to maintain all such records in California until the
4 expiration of four years from the date of final payment under the Contract. Authorized agents of the
5 County shall have access to all such records during normal business hours for the entire period that
6 records are to be maintained.

7 F. Notifications to Employees: The Contractor shall place County-provided living wage
8 posters at each of the Contractor's places of business and locations where Contractor's Employees are
9 working. The Contractor shall also distribute County-provided notices to each of its Employees at least
10 once per year. The Contractor shall translate into Spanish and any other language spoken by a
11 significant number of Employees the posters and handouts.

12 G. Enforcement and Remedies: If the Contractor fails to comply with the requirements of
13 this Sub-paragraph, the County shall have the rights and remedies described in this Sub-paragraph in
14 addition to any rights and remedies provided by law or equity.

15 (1) Remedies For Submission of Late or Incomplete Certified Monitoring Reports: If
16 the Contractor submits a certified monitoring report to the County after the date it is due or if the
17 report submitted does not contain all of the required information or is inaccurate or is not properly
18 certified, any such deficiency shall constitute a breach of the Contract. In the event of any such
19 breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

20 (a) Withholding of Payment: If the Contractor fails to submit accurate,
21 complete, timely and properly certified monitoring reports, the County may withhold from payment to
22 the Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has
23 satisfied the concerns of the County, which may include required submittal of revised certified
24 monitoring reports or additional supporting documentation.

25 (b) Liquidated Damages: It is mutually understood and agreed that the
26 Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will
27 result in damages being sustained by the County. It is also understood and agreed that the nature and
28 amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages
29 set forth herein are the nearest and most exact measure of damages for such breach that can be fixed
30 at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the
31 Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but
32 not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its
33 sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring
34 report for each day until the County has been provided with a properly prepared, complete and certified
35 monitoring report. The County may deduct any assessed liquidated damages from any payments
36 otherwise due the Contractor.

1 (c) Termination: The Contractor's continued failure to submit accurate,
2 complete, timely and properly certified monitoring reports may constitute a material breach of the
3 Contract. In the event of such material breach, the County may, in its sole discretion, terminate the
4 Contract.

5 (2) Remedies for Payment of Less Than the Required Living Wage: If the
6 Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency
7 shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole
8 discretion, exercise any or all of the following rights/remedies:

9 (a) Withholding Payment: If the Contractor fails to pay one or more of its
10 Employees at least the applicable hourly living wage rate, the County may withhold from any payment
11 otherwise due the Contractor the aggregate difference between the living wage amounts the
12 Contractor was required to pay its Employees for a given pay period and the amount actually paid to
13 the employees for that pay period. The County may withhold said amount until the Contractor has
14 satisfied the County that any underpayment has been cured, which may include required submittal of
15 revised certified monitoring reports or additional supporting documentation.

16 (b) Liquidated Damages: It is mutually understood and agreed that the
17 Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result
18 in damages being sustained by the County. It is also understood and agreed that the nature and
19 amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages
20 set forth herein are the nearest and most exact measure of damages for such breach that can be fixed
21 at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the
22 Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against
23 the Contractor liquidated damages of \$50 per Employee per day for each and every instance of an
24 underpayment to an Employee. The County may deduct any assessed liquidated damages from any
25 payments otherwise due the Contractor.

26 (c) Termination: The Contractor's continued failure to pay any of its
27 Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In
28 the event of such material breach, the County may, in its sole discretion, terminate the Contract.

29 (3) Debarment: In the event the Contractor breaches a requirement of this Sub-
30 paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County
31 contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

32 H. Use of Full-Time Employees: The Contractor shall assign and use full-time Employees
33 of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the
34 satisfaction of the County that it is necessary to use non-full-time Employees based on staffing
35 efficiency or County requirements for the work to be performed under the Contract. It is understood
36 and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for

1 services provided under the Contract unless and until the County has provided written authorization for
2 the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the
3 Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy
4 of the new staffing plan to the County.

5 I. Contractor Retaliation Prohibited: The Contractor and/or its Employees shall not take
6 any adverse action which would result in the loss of any benefit of employment, any contract
7 benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of
8 the Living Wage Program to the County or to any other public or private agency, entity or person. A
9 violation of the provisions of this Sub-paragraph may constitute a material breach of the Contract.
10 In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

11 J. Contractor Standards: During the term of the Contract, the Contractor shall maintain
12 business stability, integrity in employee relations and the financial ability to pay a living wage to its
13 employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction
14 of the County that the Contractor is complying with this requirement.

15 K. Employee Retention Rights:

16 *(Note: This Sub-paragraph applies only if the contract involves the provision of*
17 *services that were previously provided by a Contractor under a predecessor Proposition A contract or*
18 *a predecessor cafeteria services contract, which predecessor contract was terminated by the County*
19 *prior to its expiration.)*

20 (1) Contractor shall offer employment to all retention employees who are
21 qualified for such jobs. A "retention employee" is an individual:

22 (a) Who is not an exempt employee under the minimum wage and
23 maximum hour exemptions defined in the federal Fair Labor Standards Act; and

24 (b) Who has been employed by a Contractor under a predecessor
25 Proposition A contract or a predecessor cafeteria services contract with the County for at least six
26 months prior to the date of this new Contract, which predecessor contract was terminated by the
27 County prior to its expiration; and

28 (c) Who is or will be terminated from his or her employment as a result
29 of the County entering into this new contract.

30 (2) Contractor is not required to hire a retention employee who:

31 (a) Has been convicted of a crime related to the job or his or her
32 performance; or

SAFELY SURRENDERED BABY LAW FACT SHEET

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

Los recién nacidos pueden ser entregados
en forma segura en la sala de emergencia de
cualquier hospital o en un cuartel de bomberos
del Condado de Los Angeles.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
